that the repair of the building should be first attended to and that if they had not sufficient funds for the purpose, a grant will be sanctioned from the Matts' allowances under attachment. They said that they would start the work early; but nothing has yet been done in the matter. I would therefore state that as recorded by the Dewan in his order dated 13th July 1894 herewith submitted the Government should full guarantee for the proper management of the Matts' affairs before restoring grant in question.

With reference to the above, has the honor to State that an authorized Agent of the Matt ~~Should always~~ is now bound remain at the Head Quarters of the Matt to Conduct the affairs thereof during the absence of the Guru on tour, as per instructions laid down in the late Chief Commissioner's Circular No. 6597/97 Gl 130 Dated 20th February 1873. It is presumed that such an Agent is at Sosalé at present. The 3rd General Assistant Commissioner, deputed for the work could have surely conducted the local enquiry in his presence and all material facts from him, and also from the Community interested in the Matt, instead of postponing the enquiry as he has done till after the Priest's which may take some months or even some years

2. The Deputy Commissioner is therefore

requested to instruct the 3rd General Assistant Commissioner or any other Assistant that may available to proceed at once to Sosalé and institute enquiry on the following points and submit a full report at an early date —

(1) Whether the Inam Villages and lands attached to the Matt or the usufructs thereof have in any way been alienated and who is in actual possession of them

(2) Whether the feeding of Brahmins is now being conducted regularly in the Matt.

(3) Whether the affairs of the Matt are any way mismanaged and whether the State dowments to the Matt in Cash and Inam lands are misappropriated, defeating thereby the object of the Grant.

An early reply is requested.

Dated Mysore April 189

From

SIR,

With reference to previous correspondence ending with your docket No. 502 57-92. of the 17th February last, I have the honor to submit the following replies to the queries contained in your No. 201 dated 6th December 1892 in regard to the Sarale Matt in the Tirumakudlu Narsipur Taluk:-

(1). Whether the Inam villages and lands attached to the Matt or usufructs thereof have in any way been alienated and who is in actual possession of them.

There are no Inam villages attached to this Matt in this District but some are situated in other Districts of the Province. The sole exception is a small amount of Inandayem

the annual "rolls" executed in the village of Kannar, Sivaganga Zamindari Taluk. A list of the villages belonging to the Matt as furnished by the Kabli Shekhdar is attached to the record. The Deputy Commissioner in whose District these villages are situated, have to be asked about the arrangements made for the management thereof by the Matt. The local information goes to show that the landed property has been leased out and portions of such property on quite a small amount have alienated to local money lenders in satisfaction of interest on capital borrowed.

(2) Whether the feeding of Brahmins is now being conducted regularly in the Matt.

As the Swami of the Matt is out on circuit for nearly a year, feeding generally takes place wherever the Swami is, and a limited number of outsiders are fed at present in the Kovalé Matt in addition to the usual establishment charges. The total cost per mensem is fixed at 50/- Rupees.

(3). Whether the affairs of the Mutt are in any way mismanaged and whether the Sthala endowments to the Mutt in cash and Inam lands are misappropriated defeating thereby the object of the grant.

The Swami is absent from the station and there is no other person who is acquainted with the affairs of the Mutt. It is therefore difficult to reply to the 3rd clause of the query. It may be deemed fit to investigation is a future date.

2. The Mutt enjoys the marginally noted cash allowances as well as extra allowances aggregating in all Rs. 3977-12-0 per annum. In addition to this, M. L. 2-15 of sandalwood is also being given. A list of the monthly expenditure of the Mutt and of the grant so made from Government is attached

Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi),—dated 27th August 1894.

READ —

The following Memorandum by the Muzarayi Superintendent, dated 25th July 1894, on the affairs of the Sri Vyasarayaswami Matt in Sosale, Tirumakudlu Narsipur Taluk —

This Matt is largely endowed by the State. It enjoys an annual cash allowance of Rs. 3,977 12-0 in addition to extensive land Inams.

2. Many petitions have been received by Government, complaining of the gross mismanagement of the Matt's affairs by the Swami. The chief items of complaint are —

(i) The income from the Matt's endowment is not properly applied towards the object of the grant, some of the inam villages have also been alienated.

(ii) The income of the Matt is squandered in maintaining the relatives of the Guru.

(iii) The jewellery of the Matt including those presented by His Highness the late Maharaja have been sold away on the pretext of discharging the Matt debts, which are not at all *bonâ fide* ones.

3 In June 1892, the Agent of the Matt was called upon to furnish detailed accounts of Receipts and Disbursements in the Matt, but in reply the Agent reported that the Swami would not allow him to furnish such accounts.

4 In July 1893, one of the creditors of the Matt attached the Government cash allowance payable to the Matt in execution of his decree, and the Deputy Commissioner was thereupon informed by the Muzarayi Department that the allowance being a Devadaya grant, was not liable to attachment, and that the same should, pending orders of Government, be held in deposit without being paid to the Matt or remitted to the Court. The attachment has since been withdrawn at the instance of the creditor, but the payment of the allowance is, however, still kept in abeyance, pending enquiry into the alleged mismanagement of the Matt's affairs

5. In April last, the Matt Agent was again called upon to furnish a statement of the Receipts and Expenditures, together with a list of debts and also an inventory of the jewellery in possession of the Matt No complete statements have yet been received.

6. A fortnight ago, it was brought to the notice of the Muzarayi Superintendent that the Priest had gone out on tour to the Madras Presidency, making no provision for the Puja of Brindavanams &c., in the Matt, and for carrying on the usual Santarpane Thereupon the Muzarayi Assistant Commissioner of the Mysore District was requested to proceed in person to Sosale and report on the subject The reply dated 18th instant received from Mr Nanjundaraj Ars is herewith submitted. In it, he reports that the Swami has gone out on tour, that the Matt at Sosale has been virtually closed, and that neither Puja to the Brindavanams nor the daily Santarpane is being performed.

Translation of Kanarese Report, dated 18th July 1894, from the Muzarayi Assistant Commissioner, Mysore District.

In pursuance of orders received, I went to Sosale and inspected the Sri Vyasarayaswami's Matt at about half past one yesterday afternoon (the 17th instant) The door of the Matt was then locked I sent for the local Agent of the Matt and other people, and had the door opened. On entering the Matt, the Brindavanams inside did not appear to have had the usual Puja that day, for neither flowers nor Tulasi were found on them, besides the lamps did not indicate any signs of having been lit that day. It cannot be said that the lamps had been completely burnt out, for there was not even a trace of the ashes of the burnt-out wick, there were not even the marks of oil having been poured in the cup-burner.

2 Besides the Brindavanams, there is an idol of Sri Anjaneya Devaru in the Matt. As the people told me that worship should be performed to the deity regularly every day, I sent for the Pujari and questioned him on the subject The Pujari stated that he had performed Abhisheka and Puja to the deity just as he had done to the Brindavanams. On this I went to where the idol was placed, accompanied by the Matt's Agent and others, but there were no symptoms of the Puja having been performed as alleged. The whole image was covered over with dust, and there was a large accumulation of dust and dried flowers on the pedestal. Consequently, the Pujari's statements did not strike me as true. In corroboration of the above, I herewith submit the written statements taken by me on the occasion from the Agent and other men closely connected with the Matt.

3. I next enquired of the Agent if any Santârpane had been performed that day, and he answered 'yes.' Thereupon I proceeded to the kitchen and inspected it No trace of any cooking however could be observed. I then asked the Agent where the cooking had been done, and in reply, he stated that it had been done in the house of the Swami's father, and that the prepared foods had been brought to the Matt, where ten persons were fed Seeing that only a short time must have elapsed after the feeding, I desired that those who, it was alleged, had been fed in the Matt should be sent for Only one individual was produced before me, and he said that seven or eight persons had sat with him for meals. The other persons fed could not be found. From this, I was led to infer that no Santarpane had been performed that day at all,

Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi),—dated 27th August 1894.

I sent for the Swami's son and son-in-law, and asked them what arrangements had been made by the Swami for the carrying on of the Santarpane but they would not give me a clear reply, and answered in a vague, evasive manner. Their statements are herewith submitted In their statements it is alleged that the Santarpane is being conducted by the Swami's father, and that therefore he should be questioned in the matter But I was told that he was very ill and almost in his last moments, I could not therefore examine him.

In this connection, I made enquiries of the people of the village, and they all told me that the Santarpane was not being properly carried out Yesterday was *Vyasa Pournami*—a very sacred day, when the Santarpane ought to have been more than on an ordinary scale, yet not even the usual Santarpane appears to have been performed.

No. 190-1—Muz. F. 57-92, dated, Bangalore, 27th August 1894.

Order thereon.—The Sri Vyasarayaswami Matt in Sosale receives from the Muzarayi Department an annual ready money grant of Rs. 3,977-12-0 for the purposes of the worship of the Sri Gopalakrishna Devaru and the performance of the daily Santarpane in the Matt. Several petitions having been received by Government from the disciples of the Matt, complaining of gross mismanagement of the Matt's affairs, the payment of the cash allowance to the Matt has been held under attachment since July 1893, pending enquiry into the alleged mismanagement. Meanwhile, the Swami of the Matt has gone out on tour, without making the usual arrangements for the due performance, during his absence, of the daily Puja and Naivedya to the Brindavanas and the other idols in the Matt, as also for the feeding of such travellers as might visit the Matt. And, from the report submitted by the District Muzarayi Assistant Commissioner, it is evident that the daily Puja and the Santarpane in the Matt have been grossly neglected. Of this, the residents of Sosale and the disciples of the Matt greatly complain

2. Under the foregoing circumstances, the Government direct that the Puja to the Brindavanas and Santarpane at the Matt be carried out by the Muzarayi Department on the most economical scale possible out of the attached grant in money.

The foregoing draft order has been approved by Her Highness the Maharani-Regent. 30/7/95 C.S

Matt's allowance was ordered to be attached In that order, the Government observed that the Puja to the Brindavanams and the Santarpane at the Matt had been grossly neglected and consequently directed that the same be carried out by the Muzrai department on the most economical scale possible out of the attached grant in money.

2 Accordingly, the Muzrai Assistant Commissioner of the Mysore District was instructed to make arrangements for the due performance of the Puja to the Brindavanams and the Santarpane, the cost of which was calculated at Rs 87-.

being located within the
Matt building which was
in the possession of the
Matts' Agent, the Muzrai
Assistant Commissioner
found it not practicable
to have the Puja and the
Santarpane performed with-
-out his co-operation; and
therefore requested him to
receive the sum of Rs 87-.
and arrange for the per
-formance of the Puja and
the Santarpane. But the
Matts' Agent, however,
declined to do so stating
that he should receive the
whole of the monthly allowance
of about Rs 250--- payable
to the Matt or none at all
This the Muzrai Assistant
Commissioner Mr. Chengiah
Chetti reported to me in

his Rubkow No. 380 dated
24th March 1894.

3 On receipt of
Mr. Chengeah Chetti's report,
I proceeded to T. Narasipur
on the 29th April last.
There I sent for the Matt's
Agent and the Swami's son
and asked them on the subject.
They said that they would
go to see the Swami who was
on tour in the Madras Presidency
and then write to me direct
about it. But they have
not done so as yet. Mean-
while the telegram under
advertance has been received
from the Swami.

4. When I last visited
the Matt, I found. the
building in a state of
great disrepair. I then
told the Matt's Agent
and the Swami's son
that

that the repair of the building should be first attended to and that if they had not sufficient funds for the purpose, a grant will be sanctioned from the Matts allowances under attachment. They said that they would start the work early; but nothing has yet been done in the matter. I would therefore state that as recorded by the Dewan in his order dated 13th July 1894 herewith submitted the Government should have full guarantee for the proper management of the Matts affairs before restoring the grant in question.

To,

Respected Sir,

The humble petition of the under-signed, viz, the followers and disciples of Vyasarayamattam and mattalimanies most humbly Showeth that,

1 It is a fact not unknown to the Govt that during the year of 1893 that the Sri Vyasarayamatta Swamiyar Slayed at Sosale, and sold all the immumerable valuable jewels and appropriated the money in various ways unconcerned with the Mattah

2. It is also a known fact to the said Govt. that in spite of selling such Jewels and thus getting immense sum of money, the said mattah has not discharged its debts, but has allowed the same to multiply themselves day by day.

3. It may be learned from various records that during the time of his predecessor the principle manager (Viz, Parpathya Gopalachariyar) settled all the affairs of the said mattah and brought the same to a high level of improvement

4. One Anandhatheerthra Chariyar, the son of Parpathya Gopalachariyar referred to above improved the said mattah from his own pocket money by spending them in cases regarding the several disputes concerning the lands belonging to the mattah.

5. His (Anandhatheerthachariyar's) 2 sons, Viz, Sreenivasathathoorthy Acharyar and Sethuna chariyar repaired yearly the tanks, the lakes, the channels and the anicuts at enormous costs and thus improved the said mattah. These facts can be proved from various records.

6. The petitioners humbly pray the Government to support the efforts of M. S. Gopalasamy Rao who is the present mugami of the said mattah and son of the above said Sethuna chariyar who (Gopalasamy Rao) is trying for the last 3 years by petitioning the Swamiar and the Government to reform the said mattah from its weak condition already pointed out in paras 2 & 3 supra.

7. The petitioners further beg to pray the Government (1) to continue the attachment of the monthly and annual salaries due to the mattah from the Government till the affair of the said mattah are finally disposed of, (2) to communicate to us through Gopalasamy Rao the arrangements to be made

continuance of annadhana and the Deeparadhany and (3) the safety of the lands &c. of the said mattah from being sold or meddled on any accounts by the creditors in future.

The petitioners beg to remain
